

# Menu

## **Iago Crackers and Cheese**

***What You Need:** Your favorite crackers and cheeses.*

***What You Do:** We all know how much Iago loves a cracker! Pair cheese and crackers together to create his favorite snack.*

## **Agrabah Kabobs**

***What You Need:** Skewers (you could also use chopsticks since the food is cooked), a variety of cooked veggies, meats, and cheeses.*

***What You Do:** Let your kids poke their way to creativity as they pick their favorite combination of meat and cheeses!*

## **Princess Jasmine Rice**

***What You Need:** Rice (preferably Jasmine!)*

***What You Do:** Cook the rice according to the package and serve alongside your Agrabah Kabobs!*

## **Genie Juice**

***What You Need:** Lemonade, Kool-Aid, anything you have on hand, and blue food coloring.*

***What You Do:** Mix the drink according to the package directions and then add the blue food coloring.*

## **Dessert Whole New World Flying Carpets**

***What You Need:** Graham crackers, purple frosting, sprinkles, fresh fruit, chocolate chips, or other assorted candy*

***What You Do:** Lay the graham cracker on a plate and cover it with frosting. Then add whatever topping you want to your magical carpet!*

***TAKE IT A STEP FURTHER:** Gather all the pillows and throw rugs you can find and put them around the living room coffee table. Throw a tablecloth on the coffee table and enjoy your Agrabah themed dinner! Use whatever you can find at home to decorate! Be creative, you never know what you might find.*
