

## Life Group Study Guide

2. You've likely heard people from different perspectives say, "Things need to change." What change would you like to see, and how could you start to make that change on a personal level in your own life?
3. How have these past four weeks influenced you? Have you changed your viewpoint on anything? Has anything you've learned surprised you? Did this series impact your view of Church and Religion? If so, in what way?
4. Regardless of who is in office, we need to be an example of Jesus to our neighbors. In what ways does your heart need to change? Have you performed a self-evaluation to explore where you need to grow?
