Walk Worthy: Week 3, The Widow

Luke 21:1-4

- What impact does your giving have on your life and the life of your family? Would you describe it as sacrificial? Or is it inconsequential? Somewhere in between?
- Reflect on the condition of your heart behind your giving. Does it more closely reflect that of the religious leaders or of the widow? Is it joyful? Begrudging? Complacent?
- What would it look like for you to give “out of your poverty”? What is one step you might take to pursue giving as God intended it?
