- Are you actively pursuing greater knowledge? In the next 12 months, how can you better love God with your mind?
- When you look at the way you spend your money, is it clear that your love for God outweighs your love for financial security? In the next 12 months, how can you better love God with your soul?
- Has your love for God been circumstantial or rooted in the emotional maturity it requires to choose love regardless of the good or bad happening around you? In the next 12 months, how can you better love God with your heart?
